

Criteria for reapproval of GPEC educators

Name of responsible educator:

Policy for monitoring and evaluating the quality of educational meetings and evidence of implementation

Satisfactory recruitment procedures for the Vocational Training Scheme

System in place for ensuring that training practices / hospital posts are continuing to meet Deanery criteria

Policy for informing learners of the range of learning opportunities available and evidence of implementation

Evidence of assessment of learning needs

Full participation in appraisal

Forward planning to meet learning needs

Full implementation of formative assessment

Accurate data systems in place for the Vocational Training Scheme

Evidence of provision of support for doctors taking summative assessment and MRCGP

Trouble-shooting procedures conform to Deanery policy, and are fully documented

Full GPEC representation at Ripon seminars where possible, plus policy for informing absent colleagues

Active representation on PG Centre Education Committee

Educators keep own portfolio of learning

Evidence of development of multiprofessional learning

Evidence of innovatory educational activity
